NFDC announces Call for Applications for Production/Co-production of Feature Films in various Indian languages

National Film Development Corporation Limited (NFDC) under the scheme of Ministry of Information and Broadcasting (GOI), titled 'Production of films in various Indian languages' has announced call for applications for funding of feature films. Interested applicants can apply by visiting official website <https://nfdcindia.com/apply-now/> and refer the Production Guidelines to fulfil all application requirements. It is mandatory to send the complete application in hard copy to the Mumbai office of National Film Development Corporation, 6th Floor, Discovery of India Building, Dr. Annie Besant Road, Nehru Centre, Worli, Mumbai – 400 018, in addition to the above you may also send your application to our Regional Office(s) in New Delhi, Kolkata, Chennai and our branch office in Thiruvananthapuram by visiting <https://www.nfdcindia.com/contact-us/> for the postal addresses. You can also call in case of urgent queries on 022 66288 288.

NFDC produces & co-produces feature films that reflect the diversity in Indian Cinema, under its extant guidelines for film production. NFDC encourages and promotes filmmakers by undertaking 100% production of their debut film and also takes on projects as a co-producer to uphold the mandate of producing good content in collaboration with independent filmmakers both from India and abroad.

The application will remain open until 31st January 2022. For further queries please write to filmproduction@nfdcindia.com.
